

Bladeless Fans Datasheet

Product Info

Product Name
AMS150-PBW WH
MBF150BSUK

Quick Guide

Connect to power and operate via touch panel or remote. Select speed and mode as required; airflow adjusts automatically. Integrated HEPA filtration purifies air during use. Includes timer and auto-off. Maintain clear airflow and clean filter regularly.

Product Description

Blending sleek bladeless design with advanced air purification, these Midea fans deliver powerful, smooth airflow while improving indoor air quality. Featuring HEPA filtration and net ion sterilisation (MBF150BSUK), they help remove airborne particles for a cleaner, fresher environment. With 10 speed settings, multiple fan modes, and intelligent temperature-responsive operation, performance adjusts effortlessly to your surroundings. Designed for modern living, both models include quiet, energy-efficient DC motors, remote control, 12-hour timer, easy-clean construction, and, on selected models, smart Wi-Fi control with Alexa compatibility.

Features

- HEPA filtration – removes dust, pollen, and airborne particles for cleaner air.
- 10 speed settings & 3 wind modes – airflow adjusts to your comfort and room temperature.
- Quiet DC motor – powerful performance at just 38dB for day or night use.
- 12-hour timer & remote control – convenient operation with memory and auto-off functions.
- Smart connectivity (MBF150BSUK) – Wi-Fi and Alexa compatible for

Fan Specifications

Model No.	AMS150-PBW WH	MBF150BSUK
Voltage	220-240V, 50Hz	220-240V, 50Hz
Rated Power (W)	33	33
Product Dimensions (mm)	W1056*H255*D255	W1056*H255*D255
Packaging Dimensions (mm)	W1139*H300*D295	W1139*H300*D295
Net Weight (Kg)	5.68	5.7
Gross Weight (Kg)	8.8	7.7
Speed Levels	10	10
Noise Level (dB)	61	61
Filtration	H13 HEPA Filter	H13 HEPA Filter
ION Function	YES	YES
Fan Temperature Adjustment	YES	YES
Timer	12 Hour	12 Hour
WiFi with APP	YES	YES
Remote Control	Touch Screen Control, Remote Control Type	Touch Screen Control, Remote Control Type
Auto Off Function	YES	YES
